2023 SHIP EDITION

Ahoy Shipmates! World X Fest is venturing into uncharted waters from 1 ~ 3 November, partnering with Livescape (from "Its the Ship" fame) to bring you a shipcation experience unlike any other. Hop aboard our chartered vessel, The Genting Dream, for the most revolutionary cosplay and music festival at sea. Expect round the clock cosplaying, music, anime-theme shows, guest artistes interactions, free flow of food and drinks and many more.

Trip date: 1 ~ 3 NOVEMBER 2023

DAY DEPART FROM SINGAPORE FOR THE OPEN SEAS

01

Check in & boarding starts at 5pm at Marina Bay Cruise Centre (61 Marina Coastal Drive, Singapore 018947). WXF X ITS cruise is scheduled to set sail at 8pm so check-in before 7pm to avoid missing the boat! We recommend that you come early.

Once onboard, grab your dinner and head over to the Zodiac Theatre for a special anime-themed performance by guest artistes. Front row seats and post show photo taking sessions will be arranged just for Dynasty Travel clients. If you aren't sleepy after all these activities, check out the other stages for more music and partying!

DAY DAY 2: STILL OUT THERE SOMEWHERE...

02

Wake up whenever you feel like it, there is always free food and drinks at the designated restaurants onboard.

For Dynasty Travel clients who booked balcony or suite cabins, we will arrange a special karaoke session or meet-and-greet session with our guest artistes.

Check out the pool side activities and other activations during the day, grab your dinner, get changed into your cosplay attire or your fanciest clothing, and head over to the Zodiac theatre again for your front row access to our guest artistes performance.

Party the rest of the night away with other cosplaying revellers.

DAY DAY 3: BACK TO SINGAPORE

03

Sleep in if you like but we are scheduled to arrive back in Singapore at 1pm so don't sleep past that :)
